

YOU CALLED FOR HELP...

... WE SENT THE BATT BARREL

**Introducing
Hardwood Line's
Battery Operated
Cordless Plating Barrel**

FEATURES

- 1 Forward / Off / Reverse Switch
- 2 Variable Speed Control
- 3 Fused Protection
- 4 Battery Charge indicator
- 5 Voltage Indicator (optional)
- 6 Easy Access Flip Up Battery Cover
- 7 Rechargeable Lithium Ion battery runs up to 9 hours on a single charge. Charging station included.
- 8 Batteries can be ganged together for faster speeds/longer life.
- 9 Sealed compartment protects electronics from drips and fumes.
- 10 Available in many standard barrel sizes and styles.

BENEFITS

- No electrical cords means no shorts, explosions, shocks or risk of cords becoming entangled.
- Locate it anywhere regardless of the proximity to an electrical outlet.
- Safer and compliant with regulations.
- Barrel can be used in a Rack Line with little or no modification.
- Eliminates the need to plug and unplug when moving from station.
